

## PRAYER NEEDS:

- In these perplexing times, pray that people would seek the God of all truth and they would experience His salvation and freedom in Jesus Christ.

- Pray for Darryl as he struggles with the burdens of others. Pray that he will know the love that cast out all fear.

- Pray for our nation, its government and institutions that they would come under God's mighty hand.

- Pray for our city and its residents.

- Pray for those going through difficulties and particularly our young people.

- Give thanks to God for the continued of Bible in school.

- Please pray for the Bulling family as they grieve the passing of husband and father Stan Bulling.

- Please pray for our church that God would unite us with each other and Himself and cause our hearts to be increasingly open to His word and His Spirit.

- Please pray for our family and friends that God would protect and provide for them and bless with His peace and His presence.
